PD + F PROGRAMAS DE DOUTORAMENTO FCT

Call for Applications Doctoral Programme Scholarships

Call for applications for 5 PhD scholarships (2 national PhD scholarships and 3 mixed PhD scholarships) in the context of the Doctoral Programme in Philosophy of Science, Technology, Art and Society

Applications from March 30th to May 15th 2019

Center of Philosophy of Sciences (CFCUL), Faculty of Fine-Arts (ULisbon), Faculty of Sciences (ULisbon), Faculty of Law (ULisbon), Faculty of Letters (ULisbon), Institute of Social Sciences (ULisbon), Higher Technical Institute (ULisbon), Institute of Systems and Robotics (ULisbon), Polytechnic Institute of Lisbon and University of Seville

The Doctoral Programme in Philosophy of Science, Technology, Art and Society of the University of Lisbon was selected for financial support within the 2012 call for PhD Programmes of the Foundation for Science and Technology (FCT, IP), being awarded with 5 PhD scholarships per year, of which 3 are mixed¹ and 2 are national.

According to the FCT PhD Programme regulations, the Directive Board has the responsibility to select the students that will receive the PhD scholarships through contracts signed directly with FCT, IP. Thus, in accordance with the Regulations on Advanced Training and Qualification of Human Resources of the Foundation for Science and Technology, the Directive Board of the FCT Doctoral Programme in Philosophy of Science, Technology, Art and Society open this call for applications to 5 PhD scholarships (2 national and 3 mixed¹) for the academic year 2019–2020, starting on September 2020.

Notice demanded by FCT: The scholarships granting depends on the receipt of the required documentation and the budget availability of the funding entity.

¹ Mixed scholarships imply that the work plan will take place partially in a Portuguese institution. The development of the work plan in a foreign institution is dependent on budget availability of the funding institution and cannot in any case exceed two years.

I - APPLICANTS

This call is intended to everyone who meets the requirements set forth in number 1 of Article 30 of the Decree-Law 74/2006 of 24th of March, amended by the Decree-Laws 107/2008 of 25th of June, 230/2009 of 14th of September and 115/2013 of 7th of August.

May apply to this call 1) Portuguese citizens, 2) citizens of other European Union member states, 3) third countries citizens, citizens of other countries holding a valid permanent residence permits in Portugal or who hold the status of long-term resident in accordance to the Law 23/2007 of 4th of July, amended by Laws 29/2012 of 9th of August, 56/2015, of 23rd of June, 63/2015, of 30th of June, 59/2017, of 31st of July, 102/2017, of 28th August and 26/2018, of 5th July; 4) citizens of third states with which Portugal has established reciprocity agreements.

10. Indication of the type of scholarship you are applying for (national or mixed).

VIII - HOST INSTITUTION

Faculty of Science, University of Lisbon, Ernesto de Vasconcelos Street, 1749-016 Lisbon.

IX - EVALUATION CRITERIA

The evaluation will be done in two stages. In the first stage it is evaluate the merit of the PhD thesis proposal and the merit of the candidate. The evaluation criteria and their corresponding weigh are the following: **Criterion 1.** PhD thesis proposal (40%); **Criterion 2.** *Curriculum vitae* in the Doctoral Programme area (40%); **Criterion 3.** Research experience and academic curriculum in the area or non-related areas of the Doctoral Programme (10%); **Criterion 4.** Other curriculum elements (10%). Each one of these evaluation criteria will be scored 0-20. The final rating of each candidate in the first stage, rounded to one decimal, results from the application of the following formula:

First stage evaluation = [(Criterion 1 * 0,40) + (Criterion 2 * 0,40) + (Criterion 3 * 0,10) + Criterion 4 * 0,10]

The first evaluation stage is concluded with the ranking of applicants according to their first stage evaluation, rounded to one decimal. Move forward to the second stage of evaluation the fifteen candidates receiving the highest rating. The second evaluation stage consists of a personal interview that is ranked 0-20. The final evaluation of candidates results from the application of the following formula:

Final evaluation = [(Evaluation obtained in the first stage * 0,75) + (Evaluation obtained in the second stage * 0,25)]

X - ANNOUNCEMENT OF RESULTS

The results will be published at <http://phd-fctas.fc.ul.pt>. In the case of an unfavorable award decision (i.e. for applicants not selected to receive grants), the applicant has a period of 10 days after disclosure, to be heard by the Evaluation Panel, by request of a preliminary hearing, pursuant to the Portuguese *Código do Procedimento*

Administrativo. The final decision may be appealed to the Directive Board of the doctoral program, within 15 days after the respective notification.

The final decision may be appealed to the Foundation for Science and Technology, I.P., within fifteen working days after its notification.

XI - EVALUATION PANEL

The evaluation panel is chaired by the Program Director, Professor **Maria Fernanda dos Santos Martins da Palma Pereira** (Faculty of Law, University of Lisbon), and includes the following members of the Doctoral Programme: Professors **Ana Nunes de Almeida** (Institute of Social Sciences, University of Lisbon), **Cristina de Sousa Azevedo Tavares** (Faculty of Fine-Arts, University of Lisbon), **Jorge Miguel Luz Marques da Silva** (Faculty of Sciences, University of Lisbon), **José Luís Oliveira Garcia** (Institute of Social Sciences, University of Lisbon), **Maria João Monteiro Brilhante** (Faculty of Letters, University of Lisbon), **Nuno Gabriel de Castro Nabais dos Santos** (Faculty of Letters, University of Lisbon/ Centre for Philosophy of Sciences of the University of Lisbon), **Olga Maria Pombo Martins** (Centre for Philosophy of Sciences of the University of Lisbon), **Paulo Manuel Mello de Sousa Mendes** (Faculty of Law, University of Lisbon) and **Rodrigo Ventura** (Higher Technical Institute, University of Lisbon).

XII - FINANCING

Grants awarded under this call for proposals will be financed from the State Budget of the Ministry of Science, Technology and Higher Education and, where eligible, from European Social Fund funds through the Operational Programs for the 2014-2020 programming period of Portugal 2020, namely the Thematic Operational Program of Human Capital, the Regional Operational Program of the North, the Center or Alentejo, in accordance with the provisions of the applicable Specific Regulation.

Any cases not addressed in the present call are covered by the Regulations for Research Grants of the Foundation for Science and Technology, available at <http://alfa.fct.mctes.pt/apoios/bolsas/regulamento.phtml>.

Accordingly with the FCT orientation, the scholarships granting depends on the receipt of the required documentation and the budget availability of the funding entity.

XIII - APPLICABLE LAW AND REGULATIONS

Statute of the Research Fellow, approved in annex to Law No. 40/2004 of 18th August, amended republished by Decree-Law 202/2012 of 27th, and 233/2012 of 29th October, and also by Law No. 12/2013 of 29th January, and Decree-Law No. 89/2013 of 9th July. Grants Regulation of the FCT, IP, approved by Regulation No 234/2012, published in the Official Journal, Series II, of 25th June 2012, as amended by Regulations N.os 326/2013, published in the Official Journal, Series II, of 27th July 2013, 339/2015, published in the Official Journal, Series II, of 17th June 2015, and 137-A/2018, published in the Official Journal, Series II, of 27th February 2018.
